

# URBAN DESIGN STUDIO

## URBAN DESIGN STUDIO

URBAN DESIGN STUDIO works hand-in-hand with communities to develop creative solutions and comprehensive implementation programs. UDS is comprised of:

- ◆ Registered landscape architects, urban designers, architects, land use attorneys, and certified planners
- ◆ LEED accredited professional and individuals certified in neighborhood revitalization, downtown management, community economic development and dialogue, deliberation and public engagement
- ◆ Professionals experienced as former employees in public, private, and non-profit sectors
- ◆ Planners and designers with national and international experience
- ◆ Recognized speakers, educators, authors, and illustrators

CREATIVE SOLUTIONS

URBAN DESIGN STUDIO is a distinct division of RBF Consulting that focuses on planning, design, and community building projects that have the following core attributes:

- ◆ Clients Represent the Public, Non-Profit, and Private Sectors
- ◆ Projects Located within an Existing Built Environment
- ◆ Process is Community-Driven and Partnership-Based
- ◆ Solutions Integrate Sustainability and Green Design
- ◆ Products Honor Community Values, Heritage, Culture, and Environment
- ◆ Implementation is an Explicit Objective
